

Academic Excellence Scholarship

ABOUT:

EIT awards the Academic Excellence Scholarship to currently enrolled students on the basis of academic performance as measured by cumulative GPA (or Weighted Average Mark where two or more applicants have the same cumulative GPA). These scholarships are highly competitive and highly regarded as they reflect the academic best at EIT. Scholarship recipients will have the opportunity to represent EIT at academic, community and promotional events.

There are up to three scholarships available in Semester 1 & 2 (one each for on-campus and online undergraduate courses and one for on-campus postgraduate courses), and one scholarship available in Term 1 & 3 for online postgraduate courses.

VALUE:

This scholarship awards a **10% discount on tuition fees for the next semester*** to the highest academic performance in each course type (undergraduate and postgraduate) in each mode of delivery (online and on-campus) as measured by cumulative GPA (or Weighted Average Mark where two or more applicants have the same cumulative GPA).

Step 1: Complete the application form
